A printed collection dealing with H. H. the maharaja's civil list is put up. From Mr. Cobb's letter (Page 47, no. 16) of the 28th Aug 1893, it will be seen that the Govt. of India have not sanctioned formally arrangements affecting H. H. the maharaja's grand children or any subsequent generation. Perhaps the papers pertaining to the disposal of grant of the sum that was paid to the late 2nd Princess Krishnajammanni may throw some light as to the decision arrived at. This file may again be sent to Br II for noting that information.

What the State Karbhari Jamkhandi wants is information as to whether Inams & Cash allowances granted to the brothers & relatives to His Highness are regarded in Mysore as life-grants or heritable property

14 The papers connected with the disposal of the late 2d Maharaj Kumari's allowances may throw light on this point, but they are not available here, having been sent to the Huzur Secy
